Chris Jenkins has studio preference slips for the studio allocation process. Secure a slip with your code number from him on Monday, February 4, between 9:00 am and 11:00 am and 12:00 to 2:00 pm in Room 10-491Mezzanine, and between 2:00 and 4:00 pm at the Preview of Spring Option Design Studios Room 7-429/Long Lounge.

* Pre-emptive choice in spring 2019. Write your name and studio preference on your ballot.

NOTE: SMArchS students who have a first professional degree in architecture are eligible to enroll in studio as an elective. SMArchS students should only participate in the studio allocation process for a studio s/he will take. There is no “shopping for and dropping” design studios.
The first-year SMArchS Urbanism students are required to take either 4.173J taught by Lorena Bello Gomez and Brent Ryan, or the section of 4.154 Option Studio taught by Alexander D'Hooghe. The studio selection process has already taken place at the end of last term, so students do not need to participate in the spring studio allocation process. The studio programs will be presented at Preview on February 4, starting at 2 pm in Long Lounge/7-429. The studio space will be announced on February 5th.
