## INSTRUCTIONS FOR COMPLETING INDEPENDENT STUDY PROJECT FORM

### Steps:

1. A student interested in independent study in the Department of Architecture must secure the supervision of a **Department of Architecture faculty member** \*.
2. After **completing the form** \*\* on the reverse side of this page, **have your supervising faculty member sign the form. Bring or send the signed form to Department headquarters in 7-337 (Tonya Miller or Renée Caso).**
3. A staff person in Department headquarters will assign an *Architecture* **subject number** (either while you wait or via email). **Important note:** please do **not** register under what you **think** the number is; there are different numbers for each discipline area and then further broken down by graduate/undergraduate).
4. **Register** for the assigned subject number.

\* (**Note:** Course 4 students who wish to do independent study with a faculty member in a **different** department, must secure a subject number from that Department with which to register).

---

### Proposal

The student should submit a **proposal** to the project supervisor that includes:

- A **statement** of the intellectual goal of the project.
- An **explanation** of the relation of the proposed endeavor to the student's overall educational goal.
- A **plan** for approaching the intellectual problem
- A **statement** of the expected deliverables and their evaluation
- A **statement** of the amount of time to be expended in the effort (a timetable of deliverables)

### \*\* Misc. Form Details

- All fields must be completed.
- The grading system, grade or pass/fail, is determined in consultation with your supervisor.
- Credit units to be earned, based on the duration and effort to be expended and to be determined by the supervisor (generally 6, 9 or 12).

IMPORTANT: The subject can be added to your registration form by the Registration deadline, otherwise it **must be added via the [online Add/Drop form](#) prior to [Add Date](#).**
