**Instructor:** Krzysztof Wodiczko  
**Teaching Assistant :** Jaekyung Jung

**Class meetings** Monday 2 -5 p.m. N52 Room 342  
**Recitation** To be determined

**First class meeting**  
SEPTEMBER 14, 2009  
N52 ROOM 342

The primary part of the workshop will be practical work involving the development of projection projects. These projects may be engaging interior and/or exterior spaces, architectural forms, be interactive or responsive, taking form of a performance, temporary or semi-permanent multimedia installation, requiring new software or hardware design, and/or involvement of other technologies.

The theoretical part of the workshop will include readings and discussions of texts in media theory, public space, public art, and other topics.

Concepts and notions of Projection, Protest, Testimony, Monument, Memorial, Event, Public Space, Public Domain, Public Sphere, Parrhesia, Agon, Urban Intervention, and other will be introduced and discussed in the context of practical work in progress.
