

4.189 Preparation for MArch Thesis

MIT Architecture Spring 2023
Wednesdays 2-5, Long Lounge

Instructor:
Rosalyne Shieh, rshieh@mit.edu

Teaching Assistants:
Doris Duanmu, duanmu@mit.edu
Kevin Malca Vargas, kevmalca@mit.edu

Worksheet/Deck exercise

Address at minimum 6 of the following bulleted prompts using a combination of images and text, and assemble them into a pdf of the same number of pages.

Bring a weekly revision to share at your small group meeting.

Each of you will sign up to present to the larger group once before midterm.

- What is your question?
- Keywords
- Title
- Abstract
- Excerpt
- Imagined Outcome
- References
 - Texts (What texts are in conversation with your topic – annotate each with one sentence)
 - Projects (What projects are in conversation with your topic – annotate each with one sentence)
 - Other References (anything that doesn't fit into above 2 categories)
- Method (how will you work on this?)
- Techniques
- Program/Type
- Key Scale
- Site
- <other>
