

## EDUCATION

- 2023 - **Massachusetts Institute of Technology** - Master of Architecture
- 2018 - 2022 **Technion Israel Institute of Technology** - Bachelor of Science in Architecture

## PROFESSIONAL

- 2025 - **Commissions - Independent Collaborative Practice**  
Architectural repurposing and reuse; Material research; Historical research for building and material reuse.  
Selected Commissions:
- |              |             |
|--------------|-------------|
| Rutland Barn | Rutland, VT |
| Nyack Garage | Nyack, NY   |
- 2023 - 2024 **Moria Architects + Studio MA - Landscape Architect and Urban Researcher**  
Urban strategic development; landscape design; exhibition and research-based design; material and historical preservation. Selected projects include:
- Tiberias Waterfront:** Leading the urban strategic development and landscape architecture planning for Tiberias Waterfront development, strengthening the connections between the city and the lake while preserving a delicate historic environment, materially and culturally; **Yona Hill:** Led the historical research and preliminary landscape design for Yona Hill, proposing an integration of historic biblical motifs and archaeological context into design and positioning the hill as a central cultural public space.
- |                     |              |
|---------------------|--------------|
| Tiberias Waterfront | Tiberias, IL |
| Yona Hill           | Ashdod, IL   |
- 2020 - 2022 **Studio Project - Architectural Designer**  
Preservation and rehabilitation; cultural public programs; interior design, furniture design and fabrication; industrial design for self-assembly. Selected projects include:
- Collège Français:** Designing a new school building for Collège Français de Tel-Aviv Marc Chagall in the historical neighborhood of Neve Tzedek, focusing on a public-oriented sequence of outdoor space; **Painter's House:** Designing a cultural center for Studio of Your Own, an organization promoting women artists and restoration of Litvinovsky House in Jerusalem; **Rozanova Apartment:** Leading the the interior design of a Tel Aviv city center apartment, inspired by Russian avant-garde **Institut Français:** The French Institute of Tel Aviv occupies a Bauhaus-style building in the White City district, including interior and exterior preservation.
- |                    |               |
|--------------------|---------------|
| Collège Français   | Tel-Aviv, IL  |
| Painter's House    | Jerusalem, IL |
| Rozanova Apartment | Tel Aviv, IL  |
| Institut Français  | Tel Aviv, IL  |
