EXPERIENCE

Foster + Partners San Francisco, CA
Designer September 2025–Present

- Prepared for a RFP interview with a prospective client by building a physical model and preparing presentation boards.
- Designed core layouts, servicing logistics, and amenity spaces for a building complex within a new biotech campus.

Architectural Assistant June 2024–August 2024

- Conducted daylight studies, prepared renderings, collaborated with BIM coordinators, and assisted with digital modeling.

UC Berkeley Architecture Department Berkeley, CA
Social Media Creative Director November 2022–May 2025

- Collaborated with the CED architecture chair, Lisa Iwamoto, to develop an Instagram for the architecture department.
- Increased account following by approximately 600%, contributing to a 50% increase in M.Arch applicants after two years.
- Directed a videographer and assistant to create content showcasing student work, faculty, and the facilities of the CED.

Solomon Cordwell Buenz San Francisco, CA
Intern June 2022–August 2022

- Designed a facade performance mockup model built to test the elements for the 555 Bryant residential development.
- Created interior bathroom and kitchen elevations, ensuring each room was up to code for the construction documents.
- Conducted a borrowed light unit study to determine the best sizes for in-unit windows throughout the project.

LEADERSHIP

CED Undergraduate Student Council Berkeley, CA
Co-President and Architectue Representative October 2021–May 2025

- Amplified and advocated for student needs through ongoing communication and deliberation with CED administration.
- Organized fundraisers, community-building events, and workshops in collaboration with other CED student groups.
- Led weekly board meetings, conducted elections, delegated tasks to, and oversaw other board members.

American Institute of Architecture Students Berkeley, CA
Internal Affairs Officer, Executive Board January 2023–December 2024

- Oversaw the planning and organization of club events, including securing funding to attend the West Quad conference.
- Encouraged interaction between members and officers by planning events to foster a sense of community within AIAS.
- Managed calendars, club resources, membership, RSVP forms, merchandise ordering, and other administrative logistics.
