CAMBRIDGE
LONDON
LAGOS

Aspiring architect and artist with a cultured set of interests and an eagerness to learn from versatile professional fields. My aptitude for curiosity, reflection and high quality execution has fostered within me the passionate desire to lead, generate solutions, and tell stories in ways that are equally as realistic as they are creative. Through new experiences, I hope to refine the quality of my personal and technical skills in the workplace.

WORK EXPERIENCE

JAN
2026-
PRESENT

Social Media Assistant

MIT Architecture Instagram
Cambridge, MA, United States

- Coordinated and organised student and faculty work to be shared to the department's Instagram.
- Edited and released different content forms throughout the week.

JUN-
AUG
2025

Junior Architecture Intern

Willen Associates Architekten
Wiesbaden, Germany

- Produced floor plans for a conceptualised Green Energy Campus.
- Proposed varied layouts for office spaces.
- Learned new software (Archicad) while simultaneously adapting to a new language environment.
- Curated Interior moodboards with thoughtful selections.
- Collaborated with others to produce varied design options.

MAY
2023-
MAY
2024

Social Media Coordinator

Parsons Architectural Design Instagram
New York, NY, United States

- Proposed cohesive formats for the presentation of specific post types: e.g. news posts, celebration posts, and student work, to give the Instagram page a language.
- Curated and edited multiple posts each week by reaching out to students with work that reflected the department's distinct approach to Design.
